## Become a Certified Positive Discipline Classroom Educator

This six-week course offered via zoom on Saturdays from 10:00am – noon CST. The course is designed for teachers, counselors, school staff and administrators wanting to adopt a respectful and effective approach to discipline. The training is Adlerian based and enhances social and emotional learning while reducing challenging student behaviors. Attendees will earn recognition as Certified Positive Discipline Classroom Educators and will learn to:

1. Understand what they may be inviting from their students.
2. Create learning environments that foster the development of healthy perceptions and healthy skills.
3. Create an equitable classroom community based on mutual respect.
4. Understand the motivation behind misbehavior and how to encourage positive change.
5. Adopt a kindness and firmness approach that fosters encouragement and empowerment
6. Facilitate effective class meetings while teaching and modeling social skills and problem-solving.
7. Learn Positive Discipline/Adlerian psychology for use in the classroom and school community.
